MAJOR EMPLOYERS

IN

BENTON, FRANKLIN AND WALLA WALLA COUNTIES

Introduction

This report presents a list of major employers for Benton, Franklin and Walla Walla Counties. The list includes private and public sector employers - from orchards to Hanford contractors and school districts to the Post Office. To be included in the list a business/agency/entity must have 100 or more employees. In addition to those companies or agencies with 100 or more full time employees working during conventional hours, this list includes those entities with 100 or more employees working in shifts, at multiple sites, fulltime and part time employees and a few with a substantial number of seasonal employees. The final result is a list of over 140 significant employers for the three-county area.

Background

Information from several sources was used to compile this report, starting with a list of major employers contained in the 2007 Benton-Franklin Council of Governments publication *"Major Employers in Benton, Franklin and Walla Walla Counties"*. Other sources include membership lists from TRIDEC, the Port of Walla Walla, Washington State Auditor's Office, the City of Richland, the City of Kennewick, the City of Connell, Prosser Economic Development Association, some industry websites and information from the Tri-City Herald. Dates of the source data range from 2008-2010, with the vast majority of data dated in between 2009-2010.

The list was compiled and reviewed in the spring of 2010. In all cases, employment numbers were verified. We have included a mailing address and phone number with most records so that contact is possible with these entities

Disclaimer

This report does not claim to have captured all entities meeting the conditions described in the introduction, nor does it claim 100 percent accuracy in the employee totals listed. It compiles available resources to present a snapshot of major employment in the three-county area.

Changes to List

Several changes have been made to the document “Major Employers in Benton, Franklin and Walla Walla Counties”, since the 2007 edition. The 2007 edition listed 125 major employers. The 2010 edition has added 40 new major employers to the list, and deleted 19 major employers from the old list that no longer employ over 100 people, to give the new list 146 major employers. To go along with the additions and deletions to the list, there have also been a few companies that have undergone name changes: Holtzinger Fruit is now Zirkle Fruit, Duratek Federal Services is now Energy Solutions, Twin City Foods is now owned by ConAgra/Lamb-Weston, Iowa Beef is now owned by Tyson Foods, Walla Walla College is now Walla Walla University, and Protection Technology Hanford lost their contract to CSC Hanford. The additions and deletions are listed below.
